

# Arkansas Resource Hub

The Arkansas Department of Health has partnered with Engaging Arkansas Communities (EAC) to assist Arkansans throughout the state with gaining access to resources and local community events. The Resource Hub is a centralized location that can be accessed to find medical or support resources, information on HIV/STI and other free testing, and community engagement events. View the Arkansas Resource Hub at: <https://arkansasresourcehub.org/find-a-resource>

Want to see your agency listed in the  
Arkansas Resource Hub?

Please click the link below and complete all required fields for your agency's information to be listed as a resource for Arkansans throughout the state.
