

## Acupuncture

### [Rules](#)

#### **Rules and Regulations Section E(5). Acupuncture., page 11**

(a) A chiropractic physician licensed to practice chiropractic pursuant to the Arkansas Chiropractic Practices Act shall be entitled to practice acupuncture as part of chiropractic practice upon completion of one hundred (100) onsite hours training in acupuncture/meridian therapy from a college accredited by the Council on Chiropractic Education.

(b) Prior to any chiropractic physician engaging in the practice of acupuncture/meridian therapy, said physician shall be required to submit to the Board of Examiners a certificate of completion of one-hundred (100) hour's instruction in acupuncture/meridian therapy.

(c) Each holder of an acupuncture certification under the provisions of this chapter shall be privileged to use the following titles; certified in acupuncture or certified acupuncturist.

#### *Steps to Add Acupuncture to a License*

1. Obtain 100 onsite hours of acupuncture/meridian therapy from a college accredited by the Council on Chiropractic Education.
2. Receive a transcript or certificate for the training.
3. Submit a copy of the transcript or certificate to the Board office.
4. The Board office will mail an official letter and an acupuncture certificate to the licensee. The licensee's file will be updated to include acupuncture certification.

*Note: if there are any discrepancies or there is anything unusual about the classes/hours earned, it will be submitted to the Board for review.*
